

Essentials in Literature, Level 10 18-Week Plan

This 18-Week Plan serves as a pacing guide to take students through the EIL, Level 10, curriculum in a shorter time-frame while still providing instruction that covers all key literary analysis skills. The plan is designed for a 5-day per week, 50-60 minute per day schedule. Some assignments have been omitted. Students should complete only the instructional videos, reading assignments, and written assignments listed in the plan.

Fiction Unit:

Literary selections are found online by searching using the title and author's name.

Novel Unit:

Additional time for independent reading may be required during the Novel Unit of study.

Students will not complete the Novel Culminating Activity.

Drama Unit:

The focus of the drama unit is exposure to literary devices with limited independent practice or application.

Students may read the play, listen to a recording of it, or watch a video production.

Students will not complete the Drama Culminating Activity for this unit of study.

You will find that a few days have been built into the 18-week schedule that can be used for independent reading or to catch up.
